

Amster International

Premium Food Importer & Distributor

📍 Qatar

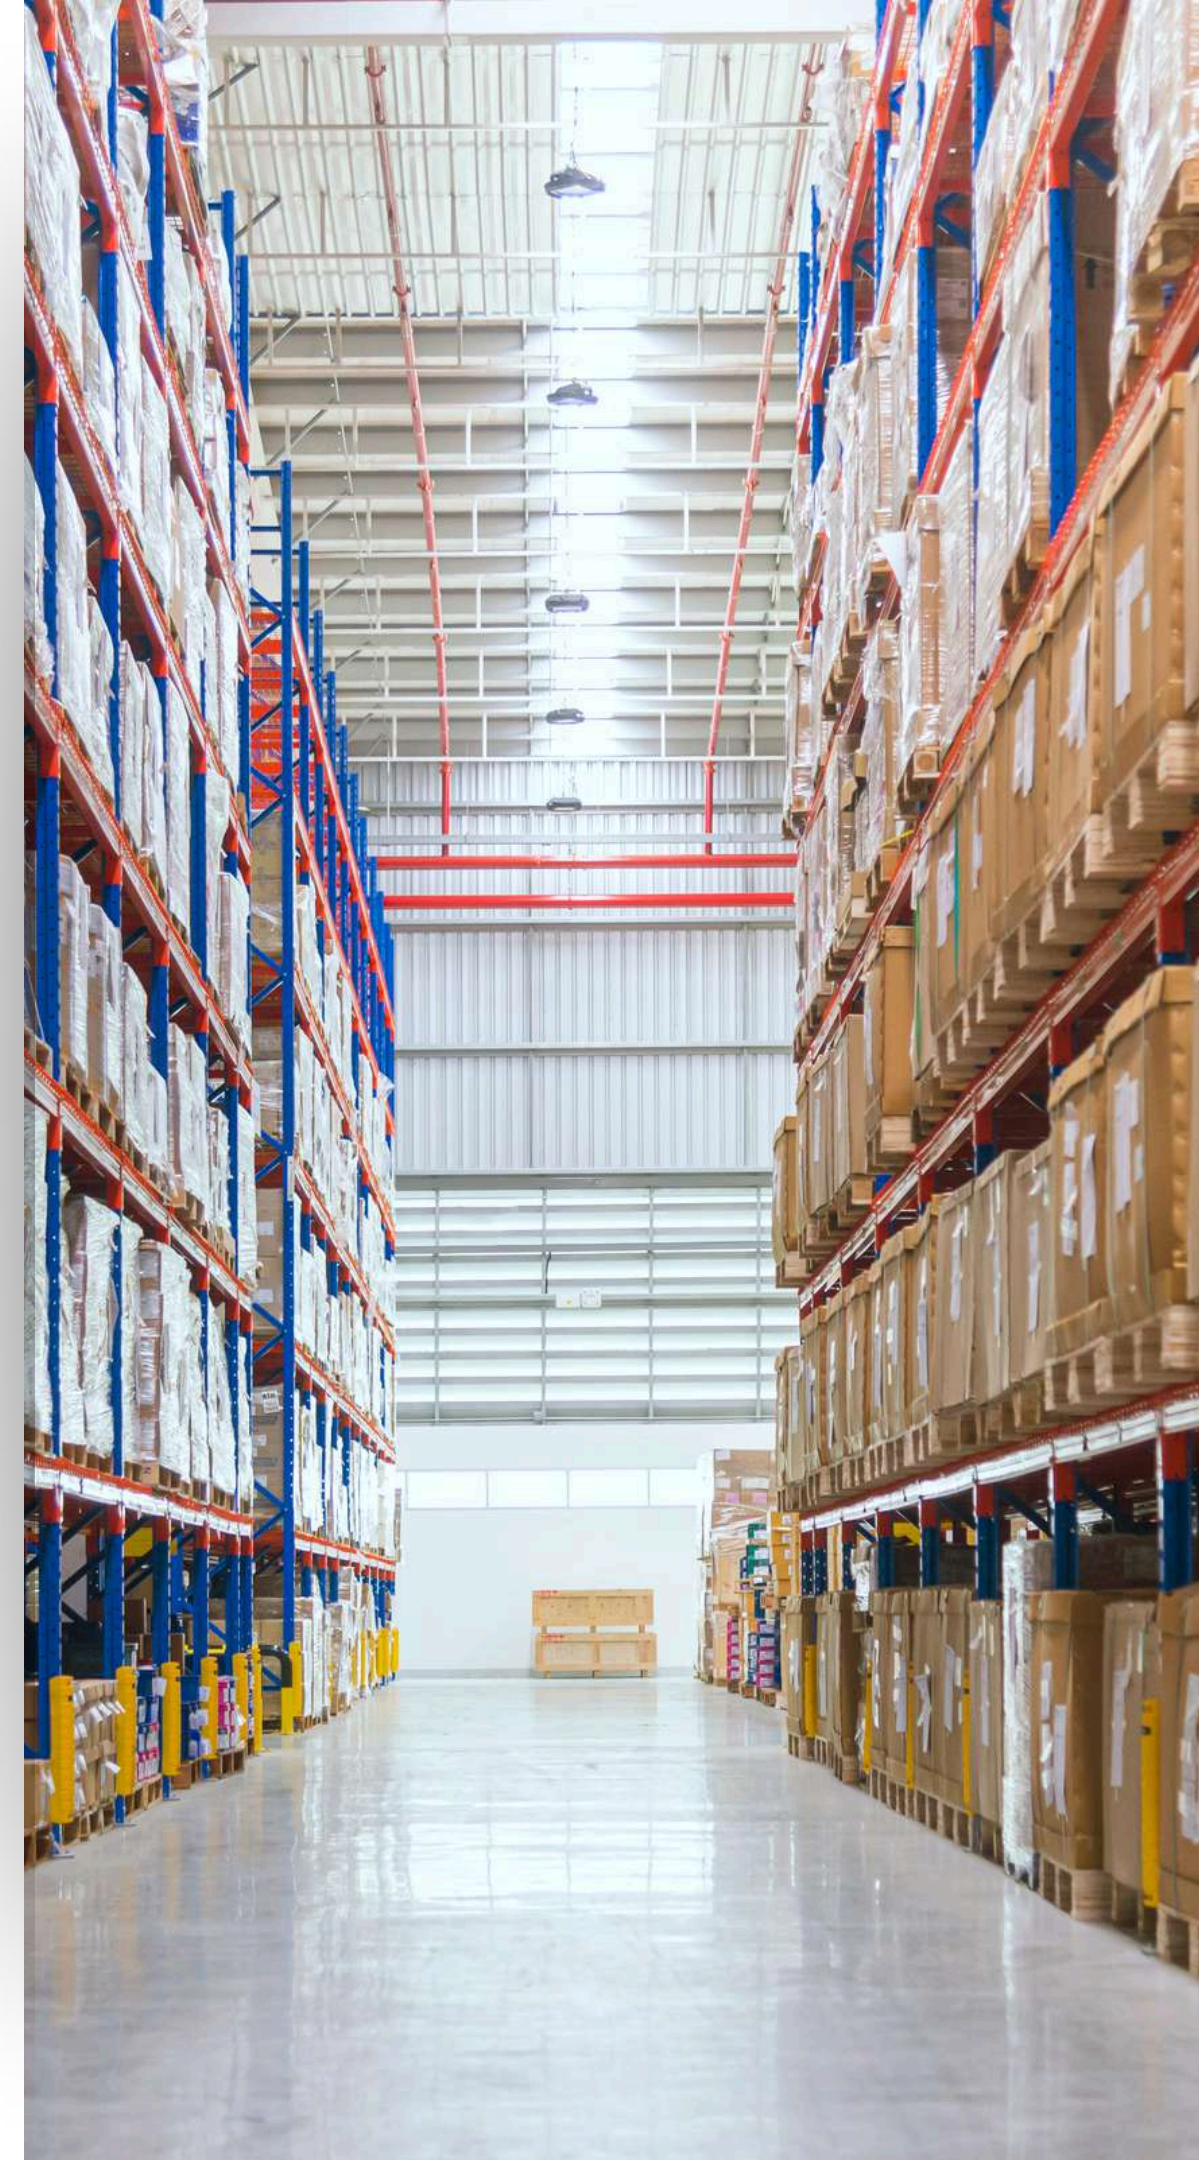

About us

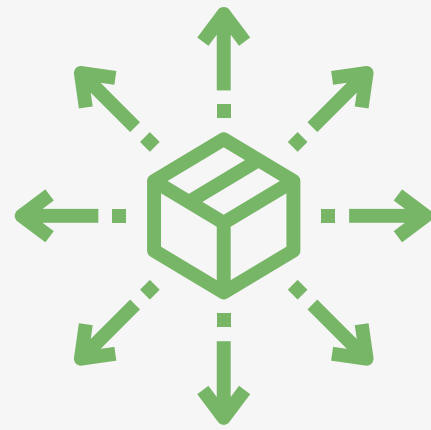

At Amster, we go beyond distribution—we bring premium global flavors to Qatar with unmatched quality, reliability and service. Our mission is to deliver the freshest, most authentic gourmet ingredients and specialty products, ensuring a seamless experience for our clients across QSR & HORECA.

We specialize in serving:

- ✓ QSR (Quick Service Restaurants) – High-quality, consistent ingredients to keep your fast-paced operations running smoothly.
- ✓ HORECA (Hotels, Restaurants) – Premium gourmet products to elevate your menus and guest experiences.

When you choose Amster, you choose a team that is passionate, experienced and committed to elevating your culinary experience.

Our Mission

To become Qatar's most trusted premium food distributor, ensuring exceptional quality, reliability and customer satisfaction through world-class global sourcing and strategic brand partnerships.

Our Vision

To lead and transform Qatar's culinary landscape by offering the highest standards of imported gourmet and specialty products, setting benchmarks for excellence, innovation, and sustainability.

2023

Upgraded fleet & expanded operations, ensuring seamless delivery.

2022

Became the exclusive distributor of Salud Food Group in Qatar, strengthening our portfolio of premium brands.

2021

Storage in Milaha Warehouse, an international-standard facility used by government entities and luxury hotels.

2019

Amster was found, bringing global flavors to Qatar.

Our Industry Milestones

Commitment to Accuracy & Transparency

With a highly trained sales and operations team, we strive for near-perfect order accuracy and timely deliveries. When unforeseen challenges arise, we act immediately, ensuring that every customer receives the right products without delays.

- ✓ State-of-the-art logistics & fleet management
- ✓ Temperature-controlled storage for optimal freshness
- ✓ Highly trained drivers & delivery teams ensuring precision
- ✓ Flexible order handling & late order cut-off for convenience

Commitment to Quality

At Amster, quality is non-negotiable. We adhere to rigorous international standards, ensuring that every product we source and distribute meets the expectations of top-tier hotels, restaurants and retail businesses.

Our quality assurance measures include:

- ✓ Strict supplier vetting & certification
- ✓ Advanced storage facilities with international compliance
- ✓ Seamless logistics ensuring optimal product freshness

Advanced Logistics, Storage & Fleet

Our fleet of 7 trucks operates across Qatar, ensuring seamless delivery. Supported by expert logistics professionals, our transportation system is designed for maximum efficiency:

Milaha Warehouse: Qatar's Trusted Storage Facility

All our products are stored in Milaha Warehouse, a facility meeting international standards that ensures superior product integrity, compliance and preservation.

At Amster, we don't just deliver food—we guarantee excellence. Whether it's premium ingredients, gourmet specialties or seamless logistics, we ensure that your needs are met exactly when and where you need them.

Our Promise

We don't just distribute—we elevate Qatar's culinary landscape through:

- ✓ Expertise – 3.5 years of premium food sourcing excellence, backed by a team with 20 years of industry experience
- ✓ Reliability – Products stored in the warehouse, ensuring compliance with international standards
- ✓ Innovation – Best logistics and global brand partnerships
- ✓ Collaboration – Exclusive distributor for world-class brands

Brands

As a trusted distributor in Qatar, we proudly represent renowned global brands, ensuring unparalleled quality across every category

Product Portfolio

At Amster, we offer a comprehensive range of premium food solutions tailored to meet Qatar's hospitality, retail and foodservice sectors.

✓ Frozen Range –

Ensuring long-lasting freshness and convenience for large-scale culinary operations.

✓ Chilled Range –

Maintaining optimal quality through carefully controlled storage conditions.

✓ Dry Range –

Providing high-quality essentials to support a wide array of culinary applications.

With superior sourcing, logistics and strict quality control, we ensure that our Frozen, Chilled and Dry Ranges meet international standards, providing our customers with premium food solutions they can rely on.
